ASSOCIATE DIRECTOR

Ever wondered what would happen when an unstoppable force meets an unmoving object? Well that's where Caroline fits into the picture at Lazarus Legal.

Caroline, (or Caro for short) is a force to be reckoned with. She is the pocket rocket lawyer that gets things done...at ridiculous speed. When others cower and fear the word 'urgent' or 'deadline', Caroline is unfazed. She does not blink, she does not sleep, and she is the unstoppable force that keeps going until it's done.

She has a bit of a reputation juggling multiple matters with ease – from day to day carriage of litigation to the quick turnaround of conveyancing, Caroline is the solicitor you should have on your speed dial.

Since her admission to the NSW Supreme Court in 2013, Caroline hasn't stopped improving herself. Within two years of practice, she has already committed to completing a Masters in Applied Law and to specialising further in the profession. In her down time (and we use that phrase lightly) Caroline enjoys packing her bag and seeing as many corners of the globe as possible – so far she can already cross 18 countries off the bucket list!

Caroline is the cosmopolitan solicitor of our fast paced world, taking on matters without skipping a beat.
